Decision maker of LRQA Inspection Iberia, S.A.

General regulations (see annex)

**Annex certificate No: LRQA/15085/CL1/159/21/1A1**

**SOLDAVIGIL, S.L.**

Camin del Fontan, 1. Polígono Industrial Porceyo.  
(33392) Gijón  
Spain

**Comments:**

This Certificate is subject to monitoring of compliance by LRQA Iberia Inspection S.A. as required by the standard EN15085-2: 2020.

Small manufacturer in accordance to EN15085-2 Annex C.

RWC qualified as IWE no. IWE-ES-750.

The welding coordinator Sergio Martínez Menéndez is entitled to test welders / operators in accordance with the relevant standards within the scope of this certificate.

**General regulations**

according to EN 15085-2: 2020

**Revocation of the Certificate**

The manufacturer certification body issuing this certificate may revoke the certificate if:

- there are justified doubts as to the proper execution of the welding work according to the stated standards,
- there are justified doubts as to the proper welding coordination according to the stated standards,
- no recognized welding coordinator is available any longer,
- no valid qualification test certificates for the welders and welding operators according to the specified standards are available,
- welders or welding operators without tested qualifications have been entrusted with the execution of welding work under the stated standards,
- other conditions according to the stated standards are no longer satisfied,
- the manufacturer certification body was refused an opportunity to perform the annual verification,
- the welding manufacturer waives the certificate

The welding manufacturer shall acknowledge the revocation in writing to the manufacturer certification body. If a valid certificate is to be renewed, the renewal must be applied for with the manufacturer certification body at least three months before the end of the period of validity of the current certificate.
